[Notice and Terms]

According to the instructions from the Ministry of Education of Korea, international students have to report their arrival in Korea to SKKU immediately. Notifications on academics and information will be sent to the contact information you have input on the system. Please be sure to input your contact information. Collected contact information will only be used for the administrative process related to prevention of Coronavirus infection. Inquiry: Phone (02-760-0023), email (skku119@skku.edu)
